Andrew S. Rosen, CFP®

Andrew joined Diversified, LLC in 2010, and he became a Partner of the firm in 2011 and President in 2020. Andrew was a registered representative of Purshe Kaplan Sterling Investments, Inc. from 2020 through October 2022, and was a registered representative with Securities Service Network, Inc. from 2013 to 2020. Andrew was also a registered representative with Signator Investors, Inc. from 2010 to 2013. Prior to joining Diversified, he was affiliated with Creative Financial Group from 2005 – 2010 as an Associate Planner, and was affiliated with New England Securities, Inc. as a registered representative during that same time. Andrew, born in 1981, is a 2003 graduate of the University of Delaware, where he earned a Bachelor of Science degree in Finance, with a minor in Economics. Andrew also holds his Life and Health insurance license.

In 2006, Andrew earned the Certified Financial Planner™ designation (CFP®) from the College for Financial Planning in Denver, Colorado. The CFP® is conferred by the Certified Financial Planner Board of Standards, Inc. after candidates have met all of the requirements for certification. Those requirements include having completed a Board-Registered educational program, having at least three years of qualifying work experience in the personal financial planning area, and passing the CFP® Certification Examination. The exam, which is administered over two days, tests a financial planner's ability to apply his or her knowledge to specific client situations. Individuals who become certified must complete 30 hours of continuing education hours every two years, including two hours on the Code of Ethics and other parts of the Standards of Professional Conduct to maintain the right to continue to use the CFP® marks.

Andrew earned the Certified Estate Planner (CEP®) designation in 2010, conferred by the National Institute of Certified Estate Planners. The CEP® designation is awarded to individuals who complete a rigorous course study on estate planning topics and pass a comprehensive qualifying exam. Candidates must have sufficient industry experience to be eligible for the designation, and must satisfy on-going continuing education requirements to maintain the designation. CEP® candidates must also adhere to a professional code of ethics, which requires model business behavior.
